## Become a Volunteer Driver:

- » Use a convenient, web-based scheduling system
- » Submit to criminal and DMV background check
- » Must be at least 21 years of age

The senior population in Northern Virginia is growing at twice the rate of the rest of the population. At the top of the list of emerging needs for older adults is transportation. Without it, simple things such as medical appointments or grocery shopping become major life challenges for non-driving seniors.

Make a difference in a senior's life.
